Message From President Lion Mike Morgan

Well, it's time! Time to start working on the project of the year! The Christmas Tree Project. I know all the Millbrae Lions are planning to work this project. Any Lions older than Lion Ed Bertocchi are excused from this project. All others are expected to work at least one shift. This is a hard project to work when all of us work it, just imagine what it would be like if some didn't work this project. Lion John Baker has been working on this for months. Let's all join him now that it really counts.

Lions Tom and Mike and their crew of Lions worked real hard

on their project – the Monster March and Carnival -- Plus a Teen Dance. As I'm sure you know the parade was rained out, but the kids who came to the Carnival had a great time. They played games, won prizes and ate hot dogs. It was fun for us Lions just seeing all the kids in costumes. The dance was a huge success. The Rec. Center was full of young people. They were "dancing" and just having a good time. Also, a great big container was filled with canned food for the needy. What a team! Thanks to all for a great job!

ber. Invite a guest to be a member. Invite a member who we haven't seen for a while and a guest to be a member and be a real hero. Remember the Millbrae Lions need you and new members. And, Millbrae needs

the Millbrae Lions.

I hope you and your family have a wonderful Thanksgiving Day. Judy will be cooking at our house, for our whole clan. It's great having everyone together. But remember the next day, Friday, is the day the trees come.

See you at the lot.

Yours in Lionism

LIONS ETHICS

TO SHOW my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

TO AID my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
TO BE careful with my criticism and liberal with my praise. To build up and not destroy.

Lion Al Morando
Millbrae Lion of the Year

LIONS OBJECTIVES

TO CREATE and foster a spirit of "GENEROUS CONSIDERATION" among the peoples of the world through a study of the problems of international relationship.

TO PROMOTE the theory and practice of the principles of good government and good citizenship.

TO TAKE an active interest in the civic, social, and moral welfare of the community.

TO UNITE the members in the bonds of friendship and mutual understanding.

TO PROVIDE a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

TO ENCOURAGE efficacy and promote high ethical standards and professions: provided that no club shall hold out as one of its objects financial benefits to its members.
