Message From President Lion Mike Morgan

Man, does time fly when your having fun! It just seems like yesterday we were planning my board's installation and now it's time to plan another installation. I know all of you are coming to the Installation on Saturday, June 2, 2001.

Lion Wayne and all the members of the new board need to know

they have your support. Send in your check today! Please!!

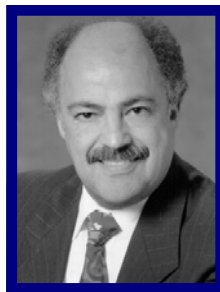

At the last board meeting the members of the Board of Directors of the Millbrae Lions Club took a bold move and voted to be proactive in our community. We have all read in the papers or seen on TV about all the trouble going on in the schools across this fine nation of ours. Kids hurting other kids or even

worse. Something has to been done. Well, the Millbrae Lions are going to do it. We are going

to provide the funds necessary to hire interns from the University of San Francisco to work as counselors at the elementary level schools. Taylor Middle School has it's own counselors and is not part of our program.

Children in the grades K thru 5 are the ones who need help. Why wait 'til there is a problem and the child is in trouble? The time to get help for that child is now! The best way to do that is by having counselors on the school site who can work with the child before there is violence and it is to late to save the child. The Millbrae Lions are on the forefront on this program. You

As mentioned by Lion Prez Mike in his President's message, the Installation of Lion Wayne Gomes as President of our

Club and the Installation of his Board is coming up on Saturday, June 2nd. This is one of our most important meetings of the year and is also a very enjoyable evening. Get your checks in to Lion 2nd Vice President Tom Cullina as soon as possible. You'll be glad you did. There will be a Cocktail Party before the Installation at Lion John and

Lady Barbara Baker's home for those attending as well. These parties are always a great way to get started on the evening's festivities. We all look forward to seeing you there.

Lion PP Rich Bortolin has asked me to include in this bulletin his thanks and appreciation for the many phone calls, cards, and well wishes that he has received from all of you during his recovery from his recent surgery. Lion PP Rich is doing well and is now able to walk on his own. We are glad you are doing so well, Lion Rich.

all should be proud for being apart of this great organization. We are calling this project "Kids At Risk". Working together we can make it happen.

A subject that has been talked about in the "Presidents Message and at meetings is the Fate of the Millbrae Lions Club's Scout House. What to do with it and about it?

Spend money that we don't have on it? Spend money that should or could go for something more important? Well, someone has come up with a great idea, one that I plan to

pursue. I have formed a committee and President – Elect Lion Wayne has said he plans to keep the committee in place after his administration takes over. Oh, the Plan. The plan is to seek a grant to fix up the building so that we can put it to good use in the community. The plan includes finding out how much it will take to bring it up to "code", how much it will cost to make it more useable, and find out how much it will cost to maintain it. The committee will make regular reports to the board and of course no money will be spent nor will

commitments be made without prior board approval. If you have any comments or thoughts please fill free to contact either Lion Wayne or myself. We want to keep the Scout House but we need it to be a functional and safe building.

Don't forget the Pancake Breakfast on June 30th. It will fun! See you at the installation.

Yours in Lionism
Michael L. Morgan

LIONS ETHICS

TO SHOW my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

TO AID my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
TO BE careful with my criticism and liberal with my praise. To build up and not destroy.

Lion Al Morando
Millbrae Lion of the Year
