Well, we are on our way. We have the Governor's Installation coming up this month, July 22<sup>nd</sup> to be exact. In addition, this year's new Officers training is on the 24<sup>th</sup> of July at Burlingame Lions Hall. By the time you read this message we will have had this year's first Board Meeting. All Millbrae Lions should make it a point to come to a Board Meeting. This is where all the business of the club is conducted. It is all very interesting and your input would be important.

At the last (my first) meeting I was impressed with all the people who came up to me and

wanted to volunteer for different chairpersonships. At one point in time, there was actually a line of Lions wanting to volunteer. What a great group of people we Lions are! If you were in that line, **Thank you**, if you weren't, I know it wasn't because you didn't want to help, it

was because you hate lines. I do have some open committee chairs still left, and one of them is just for you. Police and Fire is still open. So are Peninsula Council Liaison and Drug Awareness projects. 4C4 Cabinet Meeting still needs a chair. Also, I'll bet that most all of the "Chairs"

still need workers, which means we still need volunteers.

It is only the first week of the new administration and already Lion "Smitty" has two projects under his belt. The Pancake Breakfast and the Historical Society BBQ. "Smitty, you did a great job on both." WHAT A GUY!! Thanks to you and all your volunteers.

One last reminder. Mark down Sunday the 24<sup>th</sup> of September for the Millbrae Lions Club Picnic. PDG Lion Rocky has found us a new place to have the picnic. It will be at Flood Park in Redwood City. Lion Rocky says, "Be There".

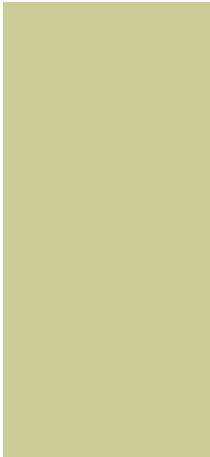

Until next time,  
Yours in Lionism

President  
Michael Morgan

**LIONS ETHICS**

- TO SHOW my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.
- TO SEEK success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.
- TO REMEMBER that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.
- WHENEVER a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.
- TO HOLD friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.
- ALWAYS bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.
- TO AID my fellow man by giving my sympathy to those in

- distress, my aid to the weak, and my substance to the needy.
- TO BE careful with my criticism and liberal with my praise. To build up and not destroy.

**LIONS OBJECTIVES**

- TO CREATE and foster a spirit of "GENEROUS CONSIDERATION" among the peoples of the world through a study of the problems of international relationship.
- TO PROMOTE the theory and practice of the principles of good government and good citizenship.
- TO TAKE an active interest in the civic, social, and moral welfare of the community.
- TO UNITE the members in the bonds of friendship and mutual understanding.
- TO PROVIDE a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.
- TO ENCOURAGE efficacy and promote high ethical standards and professions; provided that no club shall hold out as one of its objects financial benefits to its members.
