President's Message By LP Randy Sahae

Happy Halloween Fellow Lions

When a man in the window cleaning business tells you not to worry about the weather - - it pays to listen. Silly me, I was getting my information from the National Weather Service.

It was misty at 9am but the skies dried up at 11:00am and by noon the sun was peeking through. Ghosts and goblins appeared, as if by magic. Penguins and princesses, sailors and Supermen. The first Millbrae Lions Halloween Carnival and Monster March was over and a great time was had by all. Everything went smoothly, congratulations to Lion 1st VP Ron Frediani, Lion 2nd Treasurer Hardit Chaudhary and their crew. Watch for photos and an article in the next bulletin. (continued next column)

Festa Italia was awesome - -Lion PDG Art, Lion PP Rich, Lion PP Mike, Lion Lorrie (how does she stand up in those shoes) and everyone who helped. It was great to see some **Lions we don't meet very often, Lion Alice, Lion Joe, Lion Frank**, you know who you are. Between swinging potatoes and flying pizzas, it was a wild night. We watched the Giants

win together, ate, drank and played together and a great time was had by all. 61 who attended!!

Wednesday night November 3rd Lions and spouses will get together to honor those whose generous contributions made the Mobile Community Service Vehicle a reality. We will be inducting new member Bruce Sutter, and if there is a World Series game that night I'm going to try to feed it into Lion John Muniz projector for all to enjoy. Of course, in the best of all worlds, the series will be OVER by then.

Congratulations to the Leos on a

A lot of Leos ran fun kid friendly games at the Millbrae Lions Club Halloween Carnival. Many tiny spooky ghouls, goblins, fable characters and heroes showed their stuff. Leos continued the evening by hosting a dance for middle school citizens and entertained them more with a custom built haunted house ala Lion Doug Callahan.

Things You Wouldn't Know Without Movies

- It is always possible to park directly outside any building you are visiting.
- A detective can only solve a case once he has been suspended from duty.
- If you decide to start dancing in the street, everyone you bump into will know all the steps.
- Most laptop computers are powerful enough to override the communication systems of any invading alien civilization.
- It does not matter if you are heavily outnumbered in a fight involving martial arts - your enemies will wait patiently to attack you one by one by dancing around in a threatening manner until you have knocked out their predecessors.
- When a person is knocked unconscious by a blow to the head, they will never suffer a concussion or brain damage.
- No one involved in a car chase, hijacking, explosion, volcanic eruption or alien invasion will ever go into shock.
- Police Departments give their officers personality tests to make sure they are deliberately assigned a partner who is their total opposite.
- When they are alone, all foreigners prefer to speak English to each other.
- You can always find a chainsaw when you need one.
- Any lock can be picked by a credit card or a paper clip in seconds, unless it's the door to a burning building with a child trapped inside.
- An electric fence, powerful enough to kill a dinosaur will cause no lasting damage to an eight-year-old child.
- Television news bulletins usually contain a story that affects you personally at that precise moment you turn the television on.

LIONS ETHICS

TO SHOW my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

TO AID my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE careful with my criticism and liberal with my praise. To build up and not destroy.

LIONS OBJECTIVES

TO CREATE and foster a spirit of "GENEROUS CONSIDERATION" among the peoples of the world through a study of the problems of international relationship.

TO PROMOTE the theory and practice of the principles of good government and good citizenship.

Millbrae Lion of the Year
Lion Past Dist Governor
George Habeeb

TO TAKE an active interest in the civic, social, and moral welfare of the community.

TO UNITE the members in the bonds of friendship and mutual understanding.

TO PROVIDE a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

TO ENCOURAGE efficacy and promote high ethical standards and professions: provided that no club shall hold out as one of its objects financial benefits to its members.
