## Letter from the President

President's Message:

I had my first experience of running the Board of Directors meeting on July 13. I must say, without a doubt, I learned quite a bit in a few hours. I learned that trying to put a time limit isn't going to work. As Lion PP Don Beyer said, by the time we did the Pledge of Allegiance, we were already 10 minutes behind schedule. Also, the room in my house where I had the meeting is definitely smaller than the Chetcuti Room. It was a different feeling, for sure. When you have lots of room between those who are disagreeing with you or

with another member, it's a lot more comfortable. But, we'll keep meeting at my house unless it comes to blows.

I'm looking forward to the August 3 meeting. Lion PP Paul Larson put us in touch with Jim Heldberg of Segway of San Francisco. It'll be fun to hear him talk about and (hopefully) watch him riding around on this cool vehicle. I know that Tail Twister Al Morando always has some tricks up his sleeve.

And, it's a spouse night so bring your "partner in service" for this enjoyable evening.

I'm also excited that we're going forward with our September 10 Western BBQ, chaired by none other than PP Lion Don Beyer. In trying to bridge with other Millbrae organizations to have a successful fundraiser, the Millbrae Rotary, Central Peninsula Church and others are joining in on this effort. Please mark this date right now on your calendar and plan to bring your friends and family.

Don't forget the St. Dunstan Car Show on August 20. Lion of the Year Anthony Caccia is the chair and could use your help. We will be serving breakfast that morning and hamburgers and hot dogs that afternoon. Please give him a call with the time you are available that day.

I apologize for not sending out a calendar of events and project chair list until now. If between us (Lorrie and myself) we get all this computer technology and glitches worked out, you should be able to see the project chair list (and I have included tentative dates for some projects). The calendar can be found on the Millbrae Lions website. If you see anything I have missed (projects or events) or if you have any new project ideas, please give me a call. Also, if you don't see your name on that list anywhere, let me know right away what you will be volunteering for!! We're always looking for "co-chairs" and anyone else who can help out.

As always, if you have any suggestions to improve our club, please email me or call me on my cell: 650 619-5476. See you at the next meeting,

Yours in Lionism,  
President Ron "LPR2"

UPDATE on Millbrae City Council Recognition July 26th

Thank you Denis. It was great to be recognized by you, the City of Millbrae and the Millbrae Lions Club. As Larry told Randy last night the best way you can show your appreciation is to put the facility to good use by the youth of Millbrae.

Randy also mentioned that the roof still needed some work and that there has been some talk with Blach Construction. Larry has a contact there and he told Randy to let us know if you need any help and he would make a call. She asked him to wait until after August 1<sup>st</sup> when she was supposed to contact them again. So, just let us know if you need some help there.

Thanks again for the commendations last night. It's always good to have one's hard work appreciated. Larry is going to scan both the city commendation and the Lions Club plaque and publish them in IFMA's Newsletter for our whole membership to see.

It was a pleasure working with you.

Sincerely, Wendy L. Newcomer  
Rebuilding Together Volunteer Captain

## Messages from the Board

I hope you are all enjoying my antics as a tailtwister. It seems that the Victoria Secret prize is well received.

Next meeting I will introduce a new game called the Marble 50/50. Tickets will sell for \$1.00 and can only be purchased by Millbrae Lions. The ticket color will be different from the regular drawing and in order to participate you must purchase a regular drawing ticket. The game is progressive and if the white marble is not drawn the money will be added to the next meeting's drawing.

Last year's tailtwister Lorrie gave me a beautiful pair of 7" spike pump shoes. I tried them on at home and they keep pointing me to Rose's lingerie drawer. *I need HELP!*

### Request from the Editor

I want to thank everyone for your patience while I had much difficulty in distributing the last bulletin. This is a learning experience using technology in this format.

As it turns out, many of you liked receiving the hard copy as a change of pace. We did agree at the last meeting that electronic distribution will be the delivery service for our bulletin and I will get it done.

Your articles are an important part of the success of our bulletin. Please keep them coming.

I thank you for your assistance.

*Lion Lorrie*

### MLC CALENDAR – Take a Look

You can find it at [www.millbraelions.org](http://www.millbraelions.org)

It is color-coded and you can utilize the small icons to the left of the large calendar to show just those things you want to see at the time.

Click on Yellow for birthdays and anniversaries; Red for projects, events and meeting; Green is the Leos calendar; Blue shows holidays. You can see all at once or only selected calendars. The square will show + when there are other events/items in that square/date.

Thank you LPR2 and Carol for giving the membership and our supporters the ability to keep in touch with the activities of the MLC.

## LIONS ETHICS

**TO SHOW** my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK** success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

**WHENEVER** a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

**TO HOLD** friendship as end and not means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service to the true spirit in which it is given.

**ALWAYS** bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

**TO AID** my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE** careful with my criticism and liberal with my praise. To build up and not destroy.

### St Dunstan's Car Show

On Saturday August 20<sup>th</sup>, St. Dunstan's Church will be hosting its 2<sup>nd</sup> Annual car show. They have asked the Millbrae Lions to lend manpower and our food service trailer to help with the event. We have been asked to cook breakfast and lunch.

I would like to have 6-10 Lion's for each time slot. Breakfast will be from 6-10:30 and lunch from 11:30- 2.

Please contact me, via Cell phone 415-559-0919 or email: [anthony@cacciaplumbing.com](mailto:anthony@cacciaplumbing.com), if you are able to help.

Thank you, Lion Anthony

### MONKEY SURVEY

A recent "Monkey Survey" was sent to all members for your input. Thank you to Lion PP Paul Larson for putting this survey together. Paul knows how important it is for your voices to be heard. We want to know what you, as members, want from your club. If you have not yet filled out the survey, please do so now.

The results of the survey were discussed at our last general membership meeting in a round-table discussion format. Paul discussed the results of the survey responses. There are many different categories to talk about. For that reason, we decided to touch on each of those subjects (one at a time) at upcoming general membership meetings.

So start thinking about specifics now. Come prepared to join in on the discussion each month. We want to hear from you. Contact me or send an email if you have any thoughts on how to better improve our club as well as how we can bring in new members. Just let me know. That's what I'm here for. Looking forward to the discussions in the months ahead.
