Millbrae Lions Club Celebrating 54 Years of Youth Week

Youth Week Newspaper Chair Lion PP ***Paul Larson***

Youth Week Newspaper Co-Chair Lion PP Lion ***Lynn Clinton***

2014 marks the 54th year of the Millbrae Lions Club hosting "Youth Week" in Millbrae. This annual event, which focuses on the Youth of our community, has evolved over the years taking on many different forms offering various activities to participate in. This year's activities include "Youth in Government"; the "Student Essay Contest"; and the "Excellence in Mentoring Award (Educator of the Year)". Youth Week's finale is a special Awards Dinner designed to acknowledge the youth of our community who are evolving into our future leaders, and to honor those adults who are helping these youths along their way. This year's Youth Week Awards Dinner took place on the evening of Wednesday, April 16th at the El Rancho Inn Terrace Café Palm Room beginning at 7:00 PM.

Student Essay Contest Winners

(L to R) Brian Ng, Michael Chang, Kaitlyn Chan, Lilian Chang, Essay Contest Chairman Paul Larson, Tasman Kuang and Valerie Nava

Regarding the Student Essay Contest:

Every year the Millbrae Lions Club sponsors a Student Essay Contest during Youth Week. This year local schools, from 4th grade up through High School, received a flyer listing the Essay Contest rules, along with specific topics to write about. The topics for this year were:

A. Bullies at school: As a student leader describe how you would tackle this ongoing problem.

B. Describe a person in your life (family, school, community) whom you admire and why.

C. Who am I? Who is "the real me" now, and "the real me" I'd like to be?

D. You are from another planet and first time visitor to earth: Describe the world and its people.

E. New Years resolution: Describe how your goals for 2014 will make you a better person.

Scores of essays were turned in from many different schools for the judging. After examining each essay, 6 student authors were found to stand out among the rest.

As Chairman of the Student Essay Contest it is my duty to contact the winners, but this year Lion Past President Rich Bortolin helped by calling each student personally. They were all so excited when they were told that they won and would be receiving an award at a dinner especially for them. This makes the preparation and time put into the Essay Contest all worth it. Each student was invited to bring their parents and their teacher to the Awards Dinner.

On the evening of the Youth Week Awards Dinner, a semi-formal event held at the El Rancho Inn "Palm Room", the Millbrae Lions honored those students for not only writing special essays, but for also being very special themselves!

The first winners to be announced were in the 4thand 5th grade categories:

• The 2nd place winner was Valerie Nava who is a 4th grader at Green Hills School.

• The 1st place winner was Lilian Chang who is a 5th grader at Meadows School.

…continuing with the 6th, 7th and 8th grade categories:

• The 2nd place winner in the 6th, 7th and 8th grade category was Tasman Kuang who is a 7th grader at Taylor Middle School.

• The 1st place winner is Kaitlyn Chan who is an 7th grader at Taylor Middle School.

…and for the High School Category:

• The 2nd place winner in the High School category was Michael Chang who is a 9th grader at Mills High School.

• The 1st place winner in the High School category was Brian Ng who is a 10th grader at Mills High School.

Congratulations and a big round of applause was given to each of these excellent students for a job well done!

Each student received a beautiful trophy, a certificate of participation, and were all photographed for the Newspaper. Also, the 2nd place winners received a $50.00 award, and the 1st place winners received a $100.00 award. They were all given time at the microphone to introduce their guests and give the title of their essay.

A special plaque of appreciation and certificate were given to Educator Luis DeZutti (presented later at Taylor Mid-

dle School) who graciously gave his time and efforts as a judge for this contest.

Regarding the Excellence in Mentoring Award

In 2009 when I was President of the Millbrae Lions Club I felt that we needed to show our appreciation to those in the community who've given of themselves to educate our youth. That year we bestowed a special honor upon Robert Silva as the first ever recipient, and this year we continued in that spirit by honoring another special individual who's had a positive impact on the lives of our Millbrae students. Earlier this year **Excellence in Mentoring Award** Nomination Forms were distributed to the schools giving the community the opportunity to choose special nominees and write up to 300 words on why they should be selected to receive this prestigious honor. Each submitted nomination form was reviewed and selected in confidentiality. The final decision was difficult since each nominee had unique and deserving qualities, but based on the submitted criteria it was obvious that one special person stood out.

In brief: The **2014 Excellence in Mentoring Award**, which is also known as the **Educator of the Year Award**, honors a well known member of the Mills High School School staff. The following excerpts were written by Mills High School Dean of Students Tim Christian:

"There are 30 plus years of Bev looking after nearly Fifteen Hundred students each year, times 30 plus years, equaling Fifty Thousand kids. Bev has guided, scolded, cheered, yelled, hugged, drove, laughed, cried, picked up, dropped of, kicked off, let go, held accountable, nurtured, given advise, listened, talked and loved every one at Mills for a very long time. In May of this year she is hanging up her Golf Cart Keys and Walkie Talkie and all her love and attention and riding off to retirement. In this wake will be many tears from her and all of us who have come to count on her to make our days better! Bev has made the lives around her better by caring about all of us like we are her own kids – even the really old ones".

So, with that said, I asked everyone in attendance to stand and congratulate our 2**014 Excellence in Mentoring Award** honoree: Mills High School Campus Aid Bev McDonald who was presented with a beautiful plaque, along with time at the mic where both Tim Christian and Bev McDonald gave words of thanks and introductions of Bev's guests.

Youth in Government participants with past Millbrae Mayor Marge Colapietro and YIG Chairman Lion Steve Luzaich

Regarding Youth in Government

Youth Week Chairman Lion Steve Luzaich has been coordinating the "Youth in Government" project for many years. YIG helps participating students with a feel of how city government works by allowing them to "shadow" their city government counterparts and learn about these city leaders.

Details provided by former Millbrae Mayor and City Liaison for YIG Marge Colapietro: Four members from each of the following youth groups were selected by each group to represent them: City of Millbrae Youth Advisory Committee, Millbrae Lions Leo's Club, Mills High School Interact Club. Each student was required to make a commitment to participate in every aspect of the week long experience, needed to have parent permission and permission from their respective school principal -- each student kept their commitment and did an excellent job!

Youth in Government participants for 2014 are:

- Ronald Huang, Mayor
- Jensen Yeung, Vice Mayor
- Bea Abadilla, Councilwoman
- Dana Dela Cruz, Councilwoman
- Nathan Yang Councilman
- Gregory Ho, City Manager
- Jennifer Zhang, Fire Chief
- Karilin Yiu, Police Chief
- Moncarol Wang, Finance Director
- Jennifer Gao, Public Works Director
- Ernest Chen, Superintendent of Recreation
- Karissa Kwan, City Clerk

By the end of the long evening all those being honored were worn out since this was also was a school night, but they did not want to leave! This was a very special occasion for them, also something nice that the Millbrae Lions were able to give to them, and an important part of their lives they will never ever forget.

Congratulations to all, from Lion Past President Paul Larson – Student Essay Contest Chairman & Excellence in Mentoring Award Chairman.

Millbrae Students Participate in International Peace Poster Contest

Millbrae Lions Club Peace Poster Contest; Theme "Our World, Our Future" ~ Judging Friday, November 1, 2013; Winner: Taylor Middle School 6th Grader Jane Wang…

This "Lions Clubs International" contest is conducted globally and each student has the potential to continue up the ladder and compete among students from around the world. Thanks to the Taylor Middle School faculty and the participating student artists on a job well done. Congratulations! From Millbrae Lions Peace Poster Chairman Paul Larson.

Jane's quote on Peace: ***"What is peace? Peace means respect for one another. It means kindness and unity. It is a place where war is unknown, and friendship is everywhere. But it feels like an impossible dream; every time you try to grasp it, it slips away. But together, we can change that. One day. One person. One step at a time"."***

Millbrae Lions step up to bat for the "Sensory Challenged"

Helen Keller challenged Lions to be Knights of the Blind

Knights of the Blind and Visually Challenged

In 1925, Helen Keller, the internationally famous advocate for the blind and deaf, addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become "Knights of the Blind" in the crusade against darkness.

The Millbrae Lions Club has accepted the Helen Keller challenge and has served the visually impaired in Millbrae for over seventy-five years.

The Millbrae Lions Club has a program which utilizes the funds we raised via White Cane Days (chaired by Lion PP Dan Quigg) to assist Millbrae family members who are visually impaired are unable to afford simple eye examinations and eyeglasses to correct vision problems. White Cane Days is our annual fund raiser, to assist the visually challenged of Millbrae, so look for the Millbrae Lions Club members on our downtown streets and please give generously.

After being referred to the Millbrae Lions club by Lomita Park School Principal, Ms. Clair Beltrami, two students from Lomita Park School were provided at no cost to the families, eye examinations and two sets of new classes for each student.

If a condition exists, which cannot be correct by glasses, the patient will be referred to the Lions Eye Foundation of Northern California and Nevada. http://lionseyefoundation.com.

The Lions Eye foundation of California-Nevada, Inc. (LEF) is a 501(c) (3) corporation that has been in existence over 50 years. For the past half century LEF has come to the aid of needy residents of Northern California and the entire state of Nevada requiring eye surgeries. Sponsored by local community-based lions clubs, LEF has grown the initial 19 member clubs to 338 member clubs. LEF has partnered with California Pacific Medical Center to provide excellent eye care to those who could not otherwise afford it. In the calendar year 2012 alone, LEF has provided over $6,000,000 of eye care involving 2159 procedures all at no cost to the patient.

If you know of someone in Millbrae, adult or child, who is need of classes or other professional eye care, with no insurance and is unable to afford this type of care, please contact Lion John Muniz, the Millbrae Lions Club, Chairman for the Visually Challenged, at 650 455-3473 or e-mail jfmflash@flash.net.

- Visually Challenged Chair - Lion PP John Muniz
- White Cane Day Chair - Lion PP Dan Quigg
- Used Eye Glasses Collections Co-Chairs Lions David Chow and Frank Young
- Please donate your used glasses at one of the Millbrae Lions Club donation boxes, located in the Millbrae Recreation center.

Millbrae Lions Club Proud to Sponsor Scouts

On Saturday, May 24, 2014, our excellent Scouting Programs - Cub Scouts Pack 355 and Boy Scouts Troop 355 (over 100 scouts strong) joined the over 3,000 Scouts who descended upon the Golden Gate National Cemetery to place over 117,000 flags on the graves of the military that laid rest there.

We like to give a big THANKS to our Cub Scouts Pack 355 and Boy Scouts Troop 355 who gave up their Saturday morning to perform such an important and patriotic duty to those in the military who gave so much for our country.

Both the Cub Scouts Pack 355 and Boys Scouts Troop 355 will also be at our Saturday June 14, 2014 MLC Baseball Pancake Breakfast Fundraiser and Family Fun Day Event - The MOTHER OF ALL PANCAKE BREAKFASTS (at Saint Dunstan School). They will work along with our fantastic Millbrae Leos, adding the "FUN" to our baseball program fundraiser.

Cheers!

Editor's Note: The below "thank you" from Lion Anthony Caccia is regarding the 2013 event which was a GIANT SUCCESS. If you want to participate go to.millbraemachines.com for details.

Hi All Lions,

I wanted to extend a sincere thanks on behalf of the Millbrae Machines committee and myself, to all the Lions that helped and participated in the show. There were over 1900 hours invested in the planning and execution of the Millbrae Machines car show. Without the valuable help of so many the show would not have been a success.

The show featured over 170 cars, 2 live bands, DJ entertainment, breakfast, raffle prizes, silent auction items, trophies and awards and an estimated 1200 people. The overall response to the event was great, with nothing but praise about how it was set up and executed. Even the majority of the downtown businesses had a positive response.

Together we raised (a significant amount) for the Lions Club, so I would say this was a successful event!!!

Without the work of so many this show would not have been such a success.

Thank you to everyone that dedicated their time and effort.

MONSTERS Take Over Millbrae

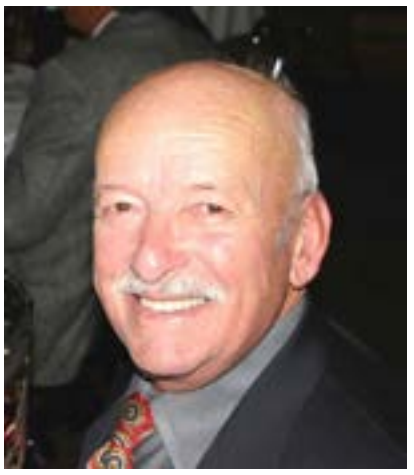
By Lion Ron & Lady Carol Frediani

On Saturday October 26, 2013, the Millbrae Lions Club took over the happy job of providing a wonderful Halloween for the children of Millbrae. Previously this event had been sponsored by the City of Millbrae's Recreation Department. When asked if we could assume the responsibility this year, the Lions Club again "stepped up to the plate". It's a full day of carnival games, food, entertainment, culminating with a parade through town and trick-or-treating at various retail stores along the way.

The Millbrae Leos Club were there to help out with the games to keep the little ghosts and goblins amused. It looked to those of us who were there, that the Leos were having as much fun as the little kids. Special credit goes to Central Peninsula Church for donating their time and taking pictures of all the families in front of a pumpkin field background…all for FREE! Lots of fun costumes and gobbling down hot dogs, and then a parade led by the Millbrae Fire Department. Then on to gather up as much candy as you can from all the wonderful shopkeepers along Broadway. Thank you to all who participated to make this such a wonderful event for the youth of Millbrae.

At the El Rancho Terrace Café

"At the El Rancho Terrace Café on Wednesday, February 19, 2014 Lion PP Student Speakers Chairman Paul Bourque (far left) with Student Speakers Contest winner and finalists, Coaches, Judges, and family. This year's topic was "Community Service -- What Does It Mean and Why Does It Matter?". Congratulations to all participants on their hard work, and to Lion PP Paul Bourque for a job well done!".



Rocky Lombardi's Famous Wine Tasting Event is Back

After a long hiatus Lion Rocky Lombardi's Wine Tasting Fundraiser is back thanks to a good number of Lions and Lions Clubs that helped to put this famous event back on the District 4-C4 map. The Millbrae, Brisbane, and Half Moon Bay Lions Clubs together with other Lions Clubs presented a spectacular time with food, wine and a great fun. Proceeds from this wonderful occasion benefits the Capital Campaign of the Lions Eye Foundation which is dedicated to preserving and restoring the gift of sight to the less fortunate members of our community.

Sunday, March 30, 2014 was the date and the place was Mission Blue Center in Brisbane. Lions from all over attended the festivities and everyone had a great afternoon of pleasure and frivolity. Rocky's wife Jo Lombardi along with Rocky's family were all present with a vintage supply of Rocky's finest remaining stock for everyone to enjoy.

Even though we lost Lion Past District Governor Rocky on July 17, 2013, he is in all of our hearts and it is nice to hear his name associated with this event which he started decades ago, in addition to the Rocky Lombardi family picnic which the Millbrae Lions Club holds every year in September.

Many thanks to all the Lions who helped to revive this long missed event and to all everyone who attended. For those who look forward to next year go to www.rockywinetasting.com.

The Millbrae Lions have become famous for hosting 2 delicious annual crab dinner dance events: The Millbrae Lions Club Crab Cioppino Dinner & Dance chaired by Lion Ron Frediani, and the Millbrae Lions Club Marinated Crab Feed & Dance chaired by Lion PP Don Beyer. These sold out events take place early in the year during crab season, with the Crab Cioppino in January and the Crab Feed in February or March, both at Saint Dunstan's Parish Center in Millbrae. For tickets to these enjoyable events contact either Lion Don Beyer at (650) 583-2139 or Lion Ron Frediani at (650) 583-9071. Remember to get your tickets early because they go quickly.
